# Farmers Win Over Panthers First Time in 13 Years

Pre-season wins over Kearns and Hillcrest, sparked by offensive efforts of Todd Gee and Kevin Kuhn, had newspaper writers placing Granite High on the list to go to State. "They've got a great quarterback; they should do well," wrote Dave Kadleck, Deseret News sports writer, on September 17.

In a triple overtime victory Kevin Walker thrilled boosters by passing successfully to Brad Shephard for a 26-20 win. In another hard-fought game, Granite beat Cottonwood 17-7 on Homecoming

with outstanding performances by Wes Westlund and tight end Steve Copier. Senior running back Rick Young became a valuable asset to the team as he rushed for 125 yards to please the large alumni crowd present September 30.

Although the games against Olympus and Skyline ended in defeat for Granite, the Farmers, according to Coach Startin, "... played heads-up ball with the number one and two teams in the state. Sophomore Shelly Butterfield added a spark of enthusiasm to the track team as she placed in the mile run during Region, held at Cottonwood in May.

Top contenders for the State meet included returning senior strength Colleen Malone. Her participation marked the third year of State competition in the 100-yard hurdles.

Coach "Nellie" commented, "I am impressed with the growing amount of enthusiasm in girls athletics this year. The track team is full of excitement and talent it takes to win." Granite qualified more girls for the State meet this season than any other year.

# Softball Team Posts Winning Season Due to Power Hitting

The 16 member girls softball squad challenged region foes and came away with second place in 4A competition. In season play Carrie Eisiminger slugged the ball deep into left field for a home run and three more runs for a win against Highland opponents. Varsity letter winner, Laurie Braithwaite, challenged East defenders at the plate as the Leopards managed only three tallies to Granite's eight. Junior Julie Plaga and Wendy Argyle made two runs each to put the team ahead of West for a five to four victory.

# Versatile Team Plays In Interchangeable Positions

New head coach, Wayne Startin, and assistant coach, Darrill Hanzon, started spring training early in March to get a novice team ready for the 21-game season. They welcomed Mark Everrill back after his recovery from an arm broken during 1977. Mark impressed college scouts with his consistent batting, effective pitching, and ability to play a variety of positions. Other notable contributions came from Brett Beal, who gained recognition at

third and at shortstop in the game against Cottonwood, Brian McDermaid, who made three home runs against Highland, and Joey Richmond's and Kevin Kuhn's combined efforts in pitching a 9-8 win over the Titans. They also beat Provo 5-4 and American Fork 11-6.

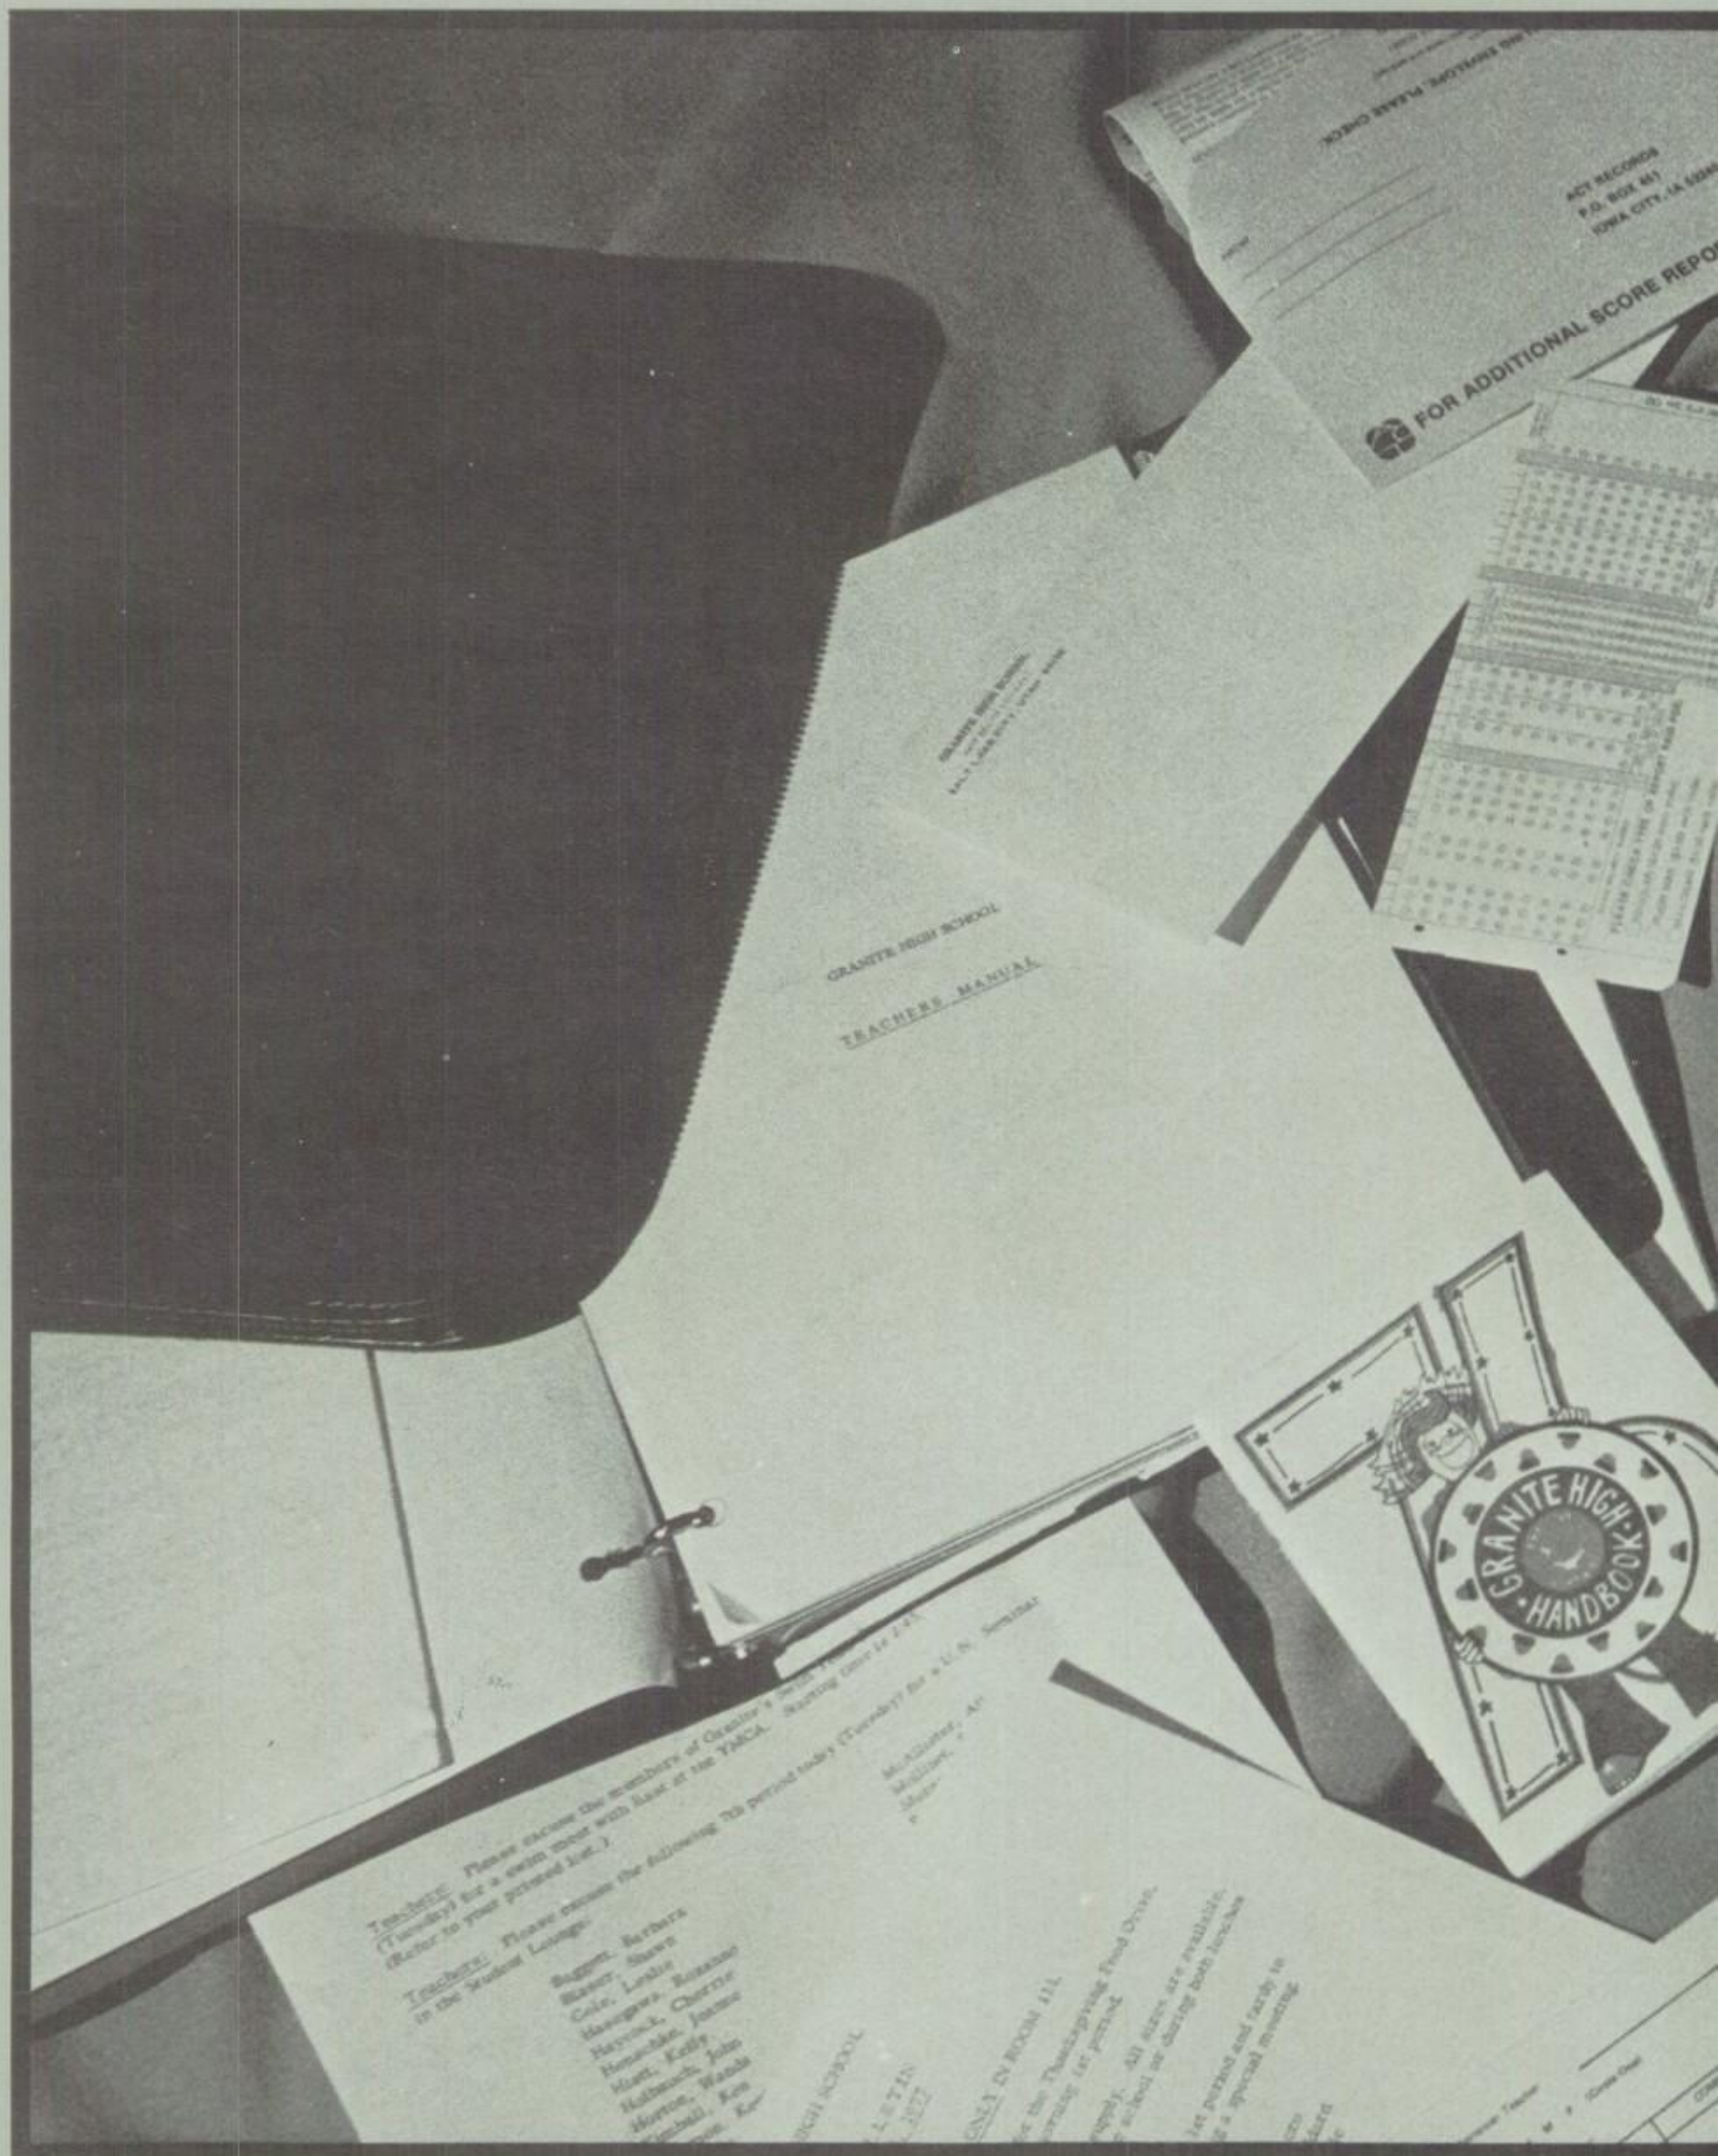

The Farmer squad crushed eleven of its top competitors to gain a berth in State and go on in Derks Field play to rate a commendable fourth.

1. Kevin Kuhn launches a perfected fastball to strike out his opponent.
2. With a full count, pitcher Joey Richmond studies his East High opponent.
3. Brian McDermaid completes a double play and saves a Kearns High run.

# Dr. Mary Jean Johnson Takes Principal Job

Dr. Mary Jean Johnson, a former Cottonwood counselor, arrived on September 11th to accept the position of vice-principal in charge of curriculum. She replaced Dr. Loren Burton, who went to the district as administrative assistant.

Comments like "A woman principal!" echoed throughout the campus. However anxieties vanished as the friendly lady learned student names immediately and handled difficult problems with rapport. "I find Granite very exciting," she observed after seeing the *Tighten the Titans* rally.

Dr. Catmull moved into his fourth year at Granite and brought a new attendance policy, teacher involvement programs, and more faculty meetings for the purpose of evaluating classroom achievements. He also worked to better relations with parents through the renewal of Back to School Night and a monthly newsletter.

1. Reminded by Homecoming banner, Dr. Johnson tells about her job at Cottonwood.
2. Dr. Catmull discusses parental involvement at the PTA meeting on September 22nd.
3. Mr. Lee Burton tastes the cake decorated just for him by Mrs. Upwall's Foods class.

# PTA Revives Back To School In September

September 29th brought Back-to-School Night, sponsored by the PTSA. The experience offered parents a ten-minute visit in each of a student's seven periods. Teachers described the course outline and academic goals.

Another event during November, Parent-Teacher Consultations, enabled parents and teachers to communicate on a one-to-one basis. Difficulties with the new absentee policy sparked specific interest as "grading on attendance" came under fire. "The program is difficult to enforce," commented Mr. Blackham, "but it's something we've needed here for a long time."

Facing its own challenges, mostly financial, the Board of Education masterminded a bond election to finance buildings.

1. Superintendent John Reid Call, director of the state's largest school district, directs the campaign for bond election held on October 27.

2. Board of Education: Front Row: Richard Black, Gary Swenson, Dawn Curtis. Row Two: Larry Bradshaw, Gordon Evans establish school policies.

Sperry, and Mrs. Lucille Wintch plan activities for the organization. Back to School Night and Parent-Teacher Consultations highlight year.

# Group Counseling Focuses On Sluffing Dilemma

The new attendance policy allowing six absences without penalty, but stiffening the requirements on tardiness and sluffing brought vigorous student reaction. As a result, counselors felt the need to get relevant student feedback. Participants in the discussions met in group counseling once a week where outcomes included the evaluation that a written parent excuse should suffice for teachers' not lowering grades.

On Tuesday, September 6th a representative from the UofU spoke to the juniors and seniors about National ACT testing dates. Thereafter, Mr. Beckstrom and Mr. Olson carried out college entrance programming and organizing student loans.

# Computer For Grading Benefits Secretaries

A new computer terminal installed in the bookkeeping office proved more efficient because it provided immediate feedback on new students, grade changes, and registration. Mrs. Stahle, who operates the terminal, commented, "It is more up-to-date on student programs."

Back to work from an extended illness, Mavis Christensen handled the steady stream of well-wishes from acquaintances of her 24 years at Granite. "I really enjoy my job; it's rewarding and I'm glad to be back," she said.

## Cooks Cool Cougars By Flagging Friday Lunch

Eager to help with school spirit, lunch ladies and Cheerleaders joined in putting red and blue flags on desserts, Friday, September 2nd. They also gave a "home cooked" touch to meals by preparing all food from scratch, with the use of new equipment such as a dough separator, moisture unit, bread slicer and larger walk-ins.

Busy during summer, custodians painted trim on all buildings and hallways in the S building. In addition, they received an extension on the utility building, giving them more room to work. The endless job of cleaning off lockers and changing combinations challenged workers.

# Draper Introduces Existentialism To AP Classes

The English Department added a new face, Mrs. Kathleen Draper, to the staff in '78. She worked as chairman of the novel committee and taught AP English to the fifty students enrolled.

Language arts participated in a variety of activities: German classes traveled to Brighton for picnicking and hiking; Mr. Belka, Spanish instructor, demonstrated preparation of such foods as

burritos and tostadas; French classes learned the ways of the native people through the use of such games as *Mille Borne*.

On April 8 the Spanish, French, and German classes combined to celebrate Mardi Gras. Each group provided the food of their country. After eating, students performed traditional dances and songs such as *Jeanette Isabella*.

# Checker Cashiering Added To Vocational Program

Mr. Carl Becker brought a district-wide checker cashier program to the campus in '78. Students received practical experience operating manual and computerized machines as well as learning customer relations and theft control.

Another program brought new faculty member, Mr. Larry Nielsen, who instructed construction of a four-plex located at 3127 South Second East. The building, evaluated by a banker and an appraiser, sold between \$90,000-\$100,000 to the highest bidder in proposals opened on May 1.

New aspects of Health Occupations included a visit by paramedics to teach life saving techniques. An outgrowth of the program became work in emergency wards at local hospitals.

Students in Mr. Blackham's American Government studied under the direction of Deputy Bishop. Two parolees from the Utah State Penitentiary spoke about the law. "I like the class; we study subjects that are making history relevant," stated Tammie Lisonbee, participant in the program.

Mr. Arishita's sophomore studies focused on types of sports from lands around the world. In an attempt to gain student interest, the teacher placed posters of various athletes about his room. Business students benefited from a class taken by Mrs. Campbell during the summer. Taught at Utah Tech by Dr. Bartholome from Utah State, the class provided an opportunity for Mrs. Campbell to learn new teaching techniques and better typing skills.

Business Week featured guest speakers, demonstrations from IBM, an ice cream and pancake breakfast. The highlight of the week-long event found each class receiving awards for *Most Outstanding* in type, beginning and advanced, shorthand, data processing, accounting, office machines and marketing, including salesmanship tactics.

Advance Type classes organized the student directory and the *Newsletter* mailing list. They also provided typing services for teacher tests and for administrative clerical work.

Concert Choir members started in September to raise funds for their California tour. They sold pies, cakes, Tootsie Rolls and cheese to earn the two-hundred thirty dollars a person necessary for the trip. Choir members performed in the Anaheim, California area from March 20-27.

Renewing an old tradition, the band pulled out the twenty-nine-year-old uniforms and learned routines for Homecoming. They also marched in University of Utah's Band Day, October 30.

*The Legend of Frankenstein* became the first animated cartoon produced by the Art Department as Warren Snow wrote and directed his version of the classic novel. Scenes consisted entirely of his drawings, and filming took nine months to finish.

Granite students returned with one-fourth of the art scholarships offered in the State competition. Full tuition scholarships from Westminster and Utah Technical College and Terry Childs Craft House Gift Certificates brought recognition to the Craft and Art Departments.

## Health Care Problem Challenges Debaters

Debaters formulated cases on the resolution "That the federal government should guarantee comprehensive medical care for all citizens in the United States." The coach, Mrs. Cynthia Boyton new to Utah, pointed out that "The topic deals with many facets of the health care problem, making it extremely difficult to research."

The preliminary interschool debates, held prior to state-wide competition, matched Granite in a new region including Olympus, Skyline, and East.

# Calculus Makes Record With AP

Record-high test scores in Calculus gave prestige to Mr. Edward's program and resulted in increased enrollment. One problem became the need for \$20 apiece books, which got quick approval from Dr. Catmull, an avid math enthusiast. "If our students do this well in the future, they may have all the books they want," he said enthusiastically.

Lopez, Duncan, Crouch, Pippas, McAllister, Wouden-*Calculus Incorporated*—tabulated scores for the Homecoming Queen contest. "Two minutes to compute all those numbers kept us hopping," said Pippas.

## Calculators Get OK In Hall's Chemistry

Finally convinced that calculators give speed and efficiency over conventional methods, Dr. Hall encouraged their use in problem solving. He also motivated students to work on updated Science Fair projects such as transplanting teeth and developing use of geothermal power plants.

Mr. Skousen introduced a new experiment to his biology classes. Students grew test tube yeast colonies and counted them by tabulating the density of cells in one drop and finding the numbers of drops in the test tube. "I couldn't believe 10,000 plants fitting into so small a space," said Joe Morgan.

Programs for extracting oil from shale without permanently defacing the landscape became topics for discussion in modernized Earth Science class taught by Mr. Mulitalo.

# Drama Class Views Broadway Plays In New York

Advanced Drama class produced scenes from theatrical successes and musical comedies as well as original monologues and pantomimes to finance their week-long trip to New York City in May. On the tour, Mr. McCombs and students watched Broadway productions and talked to celebrities and playwrights about modern trends in the theatre.

Organized under the name of *The Guild Players*, performers did shows at malls, LDS wards and various valley schools. Thespians wore red, white and blue outfits to distinguish their new organization on the campus.

Drama class enrollment skyrocketed in '78 because of last year's production of *M\*A\*S\*H* and increasing participation by students in community and school activities.

Students received a "welcome back" by Pa, Mike Maxfield; Ma, Jeana Johnson, and Johnboy, Steve Copier. That evening leaders sponsored a stomp in the cafeteria. It became the biggest one held on the campus for more than eight years.

Other activities saw Bryan, Steve and Jeana supporting the annual food drive for needy families during Thanksgiving week and Christmas season.

# House of Representatives Debate Smoking Problem

Mr. Lynn Boehme  
Adviser

Andy Pippas  
Speaker of the House

Angered by the theft of \$400 from wallets of the Young Americans during their performance, members of student government met in a House session to discuss problems of increased theft and vandalism. "What a black name those people will take of us to other schools. We must make this right by collecting enough money to pay for the losses," commented faculty adviser, Lynn Mr. Boehme.

Other matters of business included the writing of a bill which allows Song-leaders to perform more than just at the half-times of all ball games, the discussing of a Christmas project to help retarded children at the House of Hope and presentation of ideas on the school's getting behind the activities of Pride Week, November 14-18.

President Andy Pippas summarized the year. "I feel that this year the student body has a new charisma and a feeling of unity." For example, smokers have co-operated by 'doing their thing' off campus. They don't like the state law against on-campus-smoking. They just go along with it to be fair."

Members of the House analyze issues for discussion in closed assembly during Pride Week.

Athletes as well as scholars excelled in State competition. Every one of the wrestlers on varsity team participated in State matches; the girls freestyle relay team took sixth in Utah meets, and Jennifer Henderson placed third in the tennis finals held at BYU.

# Songleaders Gain Vote As Official GHS Group

Songleaders became an official part of the school's spirit group after they proved their value during a two-year trial period. Shouts of approval followed Mr. Boehme's announcement last spring that students saw a need for such an organization.

Another thrill came to the eight spirited girls as they won a first-place trophy at Utah State Intermountain Spirit Camp. "We worked so hard before we went; we were determined to win," said Linda Lowry.

Songleaders performed at wrestling meets, basketball and football games. Their rendition of *Turn the Beat Around* impressed audiences during the Hello day Assembly. Another well-accepted number during basketball season became *School's Out*.

1. Songleaders perform lively routines to Pep Band's music.
2. Martha Millward jumps into action at a basketball quarter show.

Becky Peterson, Martha Millward, Vicki Retzloff, Susan Sanders, Robin Park, Linda Lowry, Sharlene Neff, and Terry Larsen participate in a summer workshop held at Utah State University, July 19-22.

## Letter-Hi's Chosen Best In SL Parades

During the summer Letter-Hi's marched in the Murray Fourth of July and the Days of '47 parades. They also participated in competition at BYU and Cottonwood High. In both contests they gained superior ratings. Then, during the latter part of the year, they garnered an award from the Western States Drill Competition.

Fashionable jumpsuits in white knit accented by red accessories gave variety to traditional outfits used for football and basketball. Positive comments on the new uniform came from the studentbody.

Apart from performances, Letter-Hi's helped in planning the Harvest Ball, the Pep Club Dance, and the annual Christmas party for the Head Start children.

1. Letter-Hi's R, A, N, and I practice dance step for Granite-Cottonwood basketball game.
2. Barbara N Greenwood and Carla I Christensen count as they learn a new can-can.

Letter-Hi's Debbie G Pierce, Cynthia R Udarbe, Diane A Simmons, Barbara N Greenwood, Carla I Christensen, Annette T Davis, Sherry E Brotherson,

and Brenda I Reese perform precision drills and jump splits at football and basketball games and pep assemblies.

# Pep Club Gives Basketball Cakes To Bounce Bingham

Starting a new tradition, Pep Club selected separate uniforms for football and basketball seasons. With a minor change from the red sweater to a detachable bib, the outfits gave a new look. Another change found members wearing silver necklaces with a '78 dye-cut.

Team goodies took on special themes as the girls prepared Rice Krispy treats for *Hammer Highland*, licorice laces for *Whip West*, egg cartons with sweets for *Scramble Skyline* and malted milk balls to *Whop the Wildcats*.

Drill Mistresses, Marci Murphy and Michelle McNair, introduced unique formations like a "HELLO" for the first assembly of the year, a "#1" for the Skyline Game, and a "HI" for the basketball game with Granger.

Co-sponsoring a Christmas party for Head Start children saw club members giving the youngsters from Plymouth and Redwood Schools *Star War* and football shirts along with candy.

4. The editors Colleen Malone, Karen Winn, Linda Jensen, and Jolyn Henderson unite staff efforts.

# Sales During Staff's Campaign of November 14-18

To increase already record-high yearbook sales, staff and editors wore Granite Yearbook T-shirts. The November 14-18 campaign pitted classes against each other with a result that Sophomores improved percentage sales from seventy-two to eighty four.

Plans for the '78 Granitian began last May with selection of the theme, *A Place for You*. A summer party allowed students to look over books from other schools and give ideas.

Editor, Linda Jensen, traveled to BYU for a yearbook seminar; she received an Honorary Participation Award.

1. LeAnn Comes, Karen Hatfield, Pam Hashimoto, and Mark Myers, struggle to meet early yearbook deadlines.
2. Mr. Ed Neslen offers suggestions for color combinations on Alicia Birch's first-place cover design.
3. Brenda Powell, Robin Mills, Kellie Whittaker, Alicia Birch and Ruth Naylor make picture appointments.
4. Roxanne Hasegawa, Laurie Allen, Carolyn Christensen, Anna-Lea Black, Diane Winn, Jane Sanderson, and Leslie Acomb type finished work on 3-C's to send to the publisher.

# The Granitian Staff Scoops Ballot Story

In its biggest scoop of the year, newspaper staff announced winners of class elections. Desirous of giving more prestige to *The Granitian*, editor Brett Gehmlich requested the privilege of having important announcements appear for the first time in the campus newspaper. Student body officers agreed to this policy-making plan.

Because newsprint and labor costs spiraled, staff members faced two alternatives: cut back on the number of issues or turn to advertising. The latter solution necessitated the editors' getting approval from the Board of Education. A favorable vote allowed for ads in the Christmas edition.

1. Brett Gehmlich and Mrs. Mary Jane Despain check paste-up of the musical edition before deadlines.
2. Robert Wiscomb and Lane Winward use presses in graphics department to print Christmas edition.
3. Jamie Wilkins and Ben Hansen prepare silk screen print for front page of graduation edition.
4. Jane Sanderson, Roxanne Hasegawa and Karen Swan choose pictures from print book for *The Granitian*.

# Graphics Department Designs Cover for Harvest

Advising her fifth edition of the *Harvest*, Mrs. Koch turned to Mr. White's Junior Honors and Mrs. Draper's AP English classes to provide material for the publication. "Science Fiction and poetry seem to dominate student entries," observed Mary Ontiveros, editor of the eleventh literary magazine on the campus.

An advanced graphics student designed and produced the cover of *Harvest*. Built on the theme of "As wheat is gathered so are words—this is our harvest," art and photography students illustrated such stories as "The Night of Miracles" and poems like "To Soar." Cash awards honored winners in five categories.

1. Trina Normon, Diana O'Riely, and Tammy Matley Review stories submitted for publication.
2. Mrs. Koch and Editor Mary Ontiveros discuss cover design ideas with members of the staff.
3. Teresa Barnes, Diane Winn, and Becky Hoover look at illustrations for stories and poems.
4. Warren Snow, Kim McCauley, and Kim Kehr look to past *Harvest* magazines for more ideas.

# Dance Club Performs Record Number Of Concerts

Using the theme, *That's Broadway*, Dance Club performed originally choreographed numbers from *Romeo and Juliet*, *Westside Story*, *The Wiz*, *Love Story* and *Annie* for the April 15 spring concert. Dances created by Becky Peterson, Lori Wintch and Barbra Greenwood featured unique use of narration, moving lights and 35 mm. slides.

Another annual event saw the organization traveling to Central, Eisenhower and Granite Park Junior Highs for a presentation built around the idea of *Shall We Dance*. Students viewed such selections as *Your Mama Don't Dance*, theme from *Star Wars*, and *House at Pooh Corner*. Hello Day assembly and Parents' Night featured Dance Club.

The 50-member organization got involved in *The Wiz* and *Bye Bye Birdie* with members taking leading rolls, directing, working on scenery, preparing programs, and ushering. A record attendance at the Monday-night performance came through spirited sales efforts by the GHS thespians.

# Pinners Learn About Score Keeping At Park City

Pinners became one of the most active clubs at GHS because of the enthusiastic sponsorship of Carolyn Middlemiss and Sam Arishita. Under their direction the wrestlers and their booster group met on September 15, for a get-acquainted party with hilarious couple games and giant-sized floats with whipped cream.

A scoring clinic held at Park City on November 19 saw Coach Arishita present new information on computing for local, state, and national meets. At the conclusion of the confab, Pinners prepared lunch for their "team guys" and had a record dance.

Denise Bagnell, President; Starlyn Gallagher, Secretary; Wanda Horton as Party Chairman, spearheaded the selection of a golf-shirt uniform in dark blue with multi-colored stripes along the front with their names printed in red lettering.

# Honor Society Backs Scholarship Drive

Honor Society gave a male and a female student two-hundred-dollar scholarships to pay for tuition, book fees and other college expenses. They accomplished financing by the sale of Granite-Farmer window stickers and brownies.

New advisers for Honor Society, Dr. Hall and Mr. Wood, helped students with college orientation and scholarship application. They also gave officers new independence resulting in the appointment of Andy Pippas as the assistant to Mike Bontempo-president.

The officers-Mike Bontempo, Cindy Westberg, Pam Hashimoto, Jaylyn Ford and Andy Pippas-ordered pins engraved with the National Honor Society emblem for all of the association's members.

The predominantly male organization became co-ed as female Health Occupation members competed on the state and national VICA levels. Winners traveled to Georgia and Korea with their sponsors and co-sponsors.

# Madrigals Perform 27 Engagements During December

Madrigals met August 24-26 at a three-day camp in Logan Canyon. The occasion allowed them to get acquainted and to meet and work with their new director, Tom Waldron. Rehearsal occupied much of the time; however, dunkings in the creek, suitcase raids, a spaghetti party, and very little sleep made the event a memorable one for the select group.

Engagements began early for Madrigals. Sophomore Orientation, Hello Day assembly, Homecom-

ing Queen competition let the 24 singers, dressed in navy blue and plaid, try out such favorite numbers as *Games People Play*, *To Be In Love*, *Bein' Green*, and *Makin' Whoopee*. # Senior Women Win Powder Puff Game

Powder Puff football motivated senior spirit as women displayed their prowess. The game highlighted Suzy Denos' touchdown run in the opening play. The 7-0 victory helped upper-classmen regain their pride after last year's embarrassing defeat to the Sophomores and Juniors.

Other Homecoming activities included the Queens' Assembly with Lori Wintch chosen to reign through the week. Farmers Market booth featured doughnuts and brownies while seniors scored another big victory by winning the Lunch Olympics on October 26.

Senior Week, March 21-25, saw the presentation of *This is Your World, Class of 1978*, an assembly recounting school years. The final event came as graduation on May 26 saw 450 twelfth graders receive diplomas. "It's confusing. You're happy and sad all at the same time," commented Kevin Lemmon prior to graduation.

# Sno-Cones Prove Profitable At Farmers Market

Stan, Linda, and Jane sponsored the sno-cone booth at Farmers Market; it grossed \$100, more than any other organization. "It was a mess," the officers commented, "but that much money allowed us to have a great party during our Junior Week.

Other activities saw the class leaders decorating Junior Hall with red and blue streamers hanging from the lights and a Cottonwood Colt on the floor saying, "Stomp here." The banner, built around the

theme of "Junior Farmers will shine in '79," hung in the entrance of the upstairs hallway.

March 27-31, Junior Week, saw events including a class assembly and the traditional prom held at the capitol rotunda. Miss Haymore and Mr. Dave Richards advised selection of *Sandstone* as the group and choice of a romantic theme which lent to the classic atmosphere. Selection of royalty highlighted the most formal event of 1978.

# Soph Women Run Away With Class Elections

For the second time in three years sophomore coeds dominated the elections. Their campaign skits—a singing commercial, a *Star Wars* take-off, and a western melodrama—got them their majority vote. Following the balloting, they expressed determination to require write-in candidates' fulfilling needed requirements prior to the voting.

The officers sold cottonscandy at Farmers Market. Proceeds allowed them to finance the annual Sophomore week, which included a class party, a dance, and a movie. Plaudits also went to the "greenies" as they decorated a hall for Homecoming and received the first-place award for their efforts.

"Granite's great!" commented Belinda Udarbe. "It's a really happy place."
